LB 700, 1125, 705

EASE

PRESIDENT: The Escort Committee has returned. We will shortly take up our legislative session again if members will return to the Chamber. The Clerk has matters to read into the record. Can we have order in the Chamber, please.

CLERK: Mr. President, notice of hearings from the Appropriations Committee. (See pages 697-700 of the Legislative Journal.)

Mr. President, new bill, LB 1125 by the Speaker at the request of the Governor. (Read title for the first time as found on page 700 of the Journal.)

PRESIDENT: Senator Kahle, do you have a point of personal privilege? We will get the attention of the membership here, Senator.

SENATOR KAHLE: Mr. President, I didn't vote at the wrong desk but I did screw up this morning and the reminder that I and a number of senators that represent the South Platte area, the meeting for the South Platte Chamber next week is Thursday, February the 9th, not Wednesday. We sent a corrected copy around and if you have looked at it and looked at your schedule, I am sure you would see the mistake. Thank you very much.

PRESIDENT: Is Senator Beutler here? Next on the agenda is LB 700 which we will take up momentarily. Mr. Speaker.

SPEAKER NICHOL: Mr. President and members of the Legislature, the people that are working hard on this bill have asked that we pass over this for the rest of the day so that they can work out or attempt to work out details between now and tomorrow. So with that, Mr. President, I would suggest that we move on to other bills on General File until a later time of the day.

PRESIDENT: Thank you. We will move on then and pass over LB 700 at the Speaker's suggestion to LB 705. Have order in the Chamber, please, as we take up legislation.
